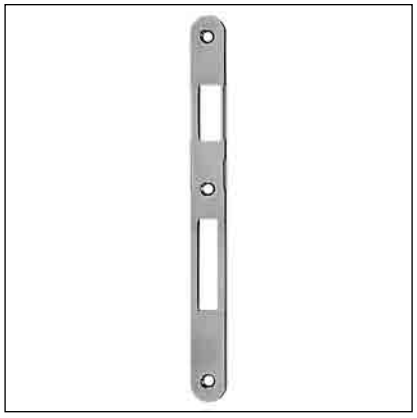
22x238 mm striker - for rebated doors



Description

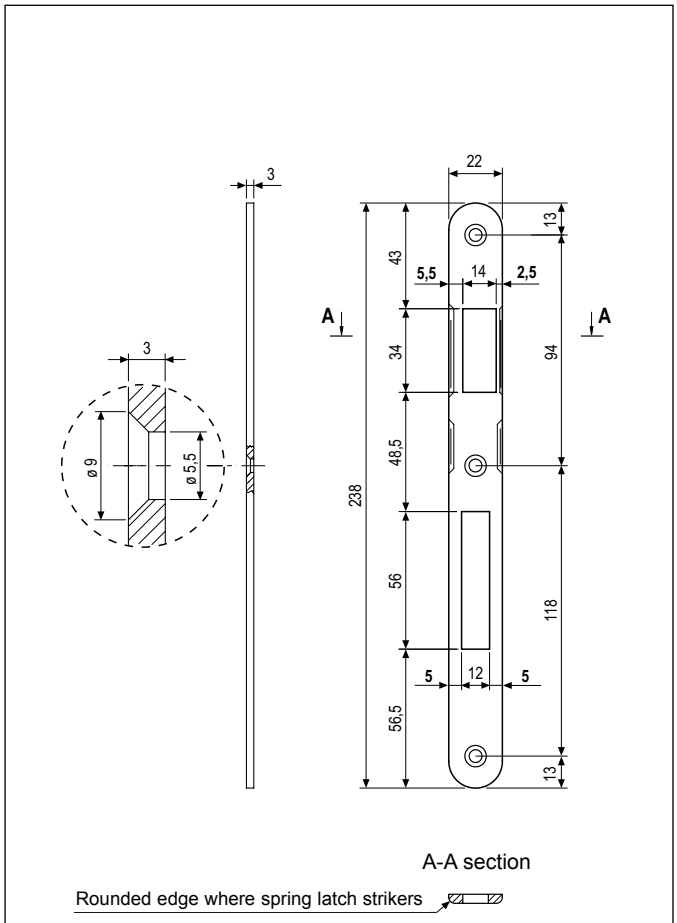
Striker with round ends, 22 mm wide, 238 mm long for Opera SL and Opera DQ SL. The edge is bevelled where the spring latch strikers for easier and smoother closing of the door. Suitable for both right and left-handed application (see code chart).

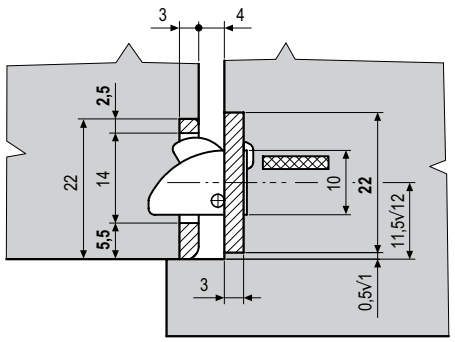
Application

Used in combination with Opera locks, on interior or main rebated doors with timber frame.

Mounting

Mill the frame according to the dimensions shown in the diagram. Install the striker flush with the edge of the frame. Fasten with three 4,5x25.





NB. *Application executed without considering the thickness of the gaskets.*
